DAILY HEALTH CHECK & REMINDERS

Please read and follow these guidelines to ensure that MacNeill remains a healthy school and workplace for everyone.

All adults entering the school, parents, caregivers, and students are aware that they should not come to school if they are sick and unable to participate fully in routine activities.

Please continue to do a health check every day.

A health check means a person regularly checking to ensure they (or their child) are not experiencing symptoms of illness (including but not limited to COVID-19 symptoms) that would limit their ability to participate fully in regular activities before coming to school to prevent spread of communicable diseases, such as COVID-19, within school settings.

STUDENT AND FAMILY AFFORDABILITY FUND

The provincial government announced a new, one time Student and Family Affordability Fund. This fund is designed to assist families who require financial assistance with school-related costs such as school and course fees, workbooks, specialty supplies, field trips and other school-related charges and costs. The additional funding will also be used to support school meal programs and other nutritional supports for students.

At this time, families can contact the school if they are in need of assistance with school supplies, fees or other school-related costs. As always, all requests will be treated with dignity and privacy will be respected. We want to work with our families to ensure that our students have everything they need in order to be successful at school. Please do not hesitate to reach out if we can help to macneill@sd38.bc.ca
