DAILY HEALTH CHECK & REMINDERS

Please read and follow these guidelines to ensure that MacNeill remains a healthy school and workplace for everyone.

All adults entering the school, parents, caregivers, and students are aware that they should not come to school if they are sick and unable to participate fully in routine activities.

Please continue to do a health check every day.

A health check means a person regularly checking to ensure they (or their child) are not experiencing symptoms of illness (including but not limited to COVID-19 symptoms) that would limit their ability to participate fully in regular activities before coming to school to prevent spread of communicable diseases, such as COVID-19, within school settings.
