Students at A.R. MacNeill and across the country will recognize **Pink Shirt Day on February 22, 2023**, to raise awareness about the issue of bullying. Through collaboration, education, and celebration, the hope is to create opportunities for students to feel safe, connected, and empowered with everyone encouraged to wear pink to symbolize their intolerance of bullying.

Today, our diversity is becoming more visible than ever as people continue to embrace their cultures, identities, and true selves in more open and direct ways. The need to #LiftEachOtherUp by having greater acceptance, respect, and inclusion for everyone is so important. MacNeill students can wear a pink t-shirt or wear anything pink on February 22nd to symbolize the moments of kindness, empathy, and understanding that can mean so much to children impacted by bullying.
