## QUICK SURVEY STUDENT LEARNING

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

The survey can be completed electronically and can be accessed on the Internet at [http://www.bced.gov.bc.ca/sat\\_survey](http://www.bced.gov.bc.ca/sat_survey). Any computer with an Internet connection can be used, and access to the e-survey is simple and secure.

The e-survey site will be open until May 3rd. If you have any questions, please contact the school at [MacNeill@sd38.bc.ca](mailto:MacNeill@sd38.bc.ca)
