### SUMMER LEARNING 2018

Richmond Continuing Education is offering many learning opportunities for grade 8 to 12 students this summer, including academic full credit courses which run from July 4 - August 3. For more information please consult the Continuing Education website at <http://www.richmondce.ca>.

### DRY GRAD JUNE 28, 2018

The Dry Grad Committee is organizing an all-night supervised dry grad party immediately after the Grade 12 formal ceremonies. It is a safe and absolutely no alcohol or drugs allowed party for the graduates celebrating their high school achievement. The committee will arrange transportation to and from a dinner and dance at a restaurant as well as security, music, food, games and activities at the school. The committee is run by parent volunteers. Parents and guardians, this is your chance to get involved and see the graduates in their formal attire and witness their joy. Let's work together and present a fun and joyful party to our child. **TO SIGN-UP AND FOR MORE INFORMATION PLEASE EMAIL: [ccope1006@gmail.com](mailto:ccope1006@gmail.com)**

### BC NUMERACY ASSESSMENT

B.C.'s assessment system is being redesigned to align with the new curriculum. Assessment of all forms will support a more flexible, personalized approach to learning and measure deeper, complex thinking. B.C.'s educational assessment system strives to support student learning by providing timely, meaningful information on student learning through multiple forms of assessment. For more information, please visit: <https://curriculum.gov.bc.ca/provincial-assessment/graduation/numeracy/#pre>
