WOMEN IN COMPUTING SCIENCE (WICS) TEAM

Try/CATCH (Computing and Technology Conference for Her) is an exciting outreach project organized every year by WICS at Simon Fraser University. Try/CATCH is a two-day event for high school girls in grades eight to twelve, with the objective of helping them develop an interest in STEM/Computing Science and the technology field. Throughout the event, students will participate in a variety of hands-on workshops in programming, UX/UI Design, Entrepreneurship, and Artificial Intelligence. Due to the ongoing pandemic, we will be hosting our Try/Catch 2021 event virtually this year on the weekend of Oct. 2nd-3rd!

Registration is free! To register please use this link:
