SUMMER SCHOOL CONTINUING REGISTRATION EDUCATION

SUMMER 2022

Registration is now open for both Richmond Virtual School and Richmond Continuing Education in-person Full Credit Summer School. Now is the time to make sure you've registered for summer school.

This is very important if you planned to take a course in the summer that is a prerequisite course you requested for next year. Prompt summer school registration is especially important for next year's Gr 12 students who may have indicated that they will take a summer school course that is required for graduation.

Once you have registered for summer school, please confirm with your counsellor. If your summer school plans have changed, please also check in with your counsellor so your course requests for next year can be amended. Again, this is of special importance to our 2022-2023 Gr 12 students.
