AR Macneill Secondary School

SERVICE HOURS 2016-2017

Name: _____ Student #:_____ Grade:_____

Service Award Criteria and Instructions

Service hours are contributed by MAC students who volunteer their time to the school because the intended outcome will make our school a better place for others and are not part of a course requirement. Hours spent on Student Council, Grad Committee, leading a volunteer service club, managing a Ravens team, serving as a student-leader at Meet the Teacher and helping to organize special events, fundraising or campaigns to raise awareness and funds for others are just a few examples of service to Macneill. Please note, students will self-report their service hours, but all service hours need to be confirmed by a teacher or staff sponsor and cannot be for course credit or pay. *(Please note, volunteer service in the greater community and/or church, etc., are also worthwhile, but recognized separately from MAC school service).* **SUBMIT THIS FORM TO THE OFFICE No Later than 3:00 pm Friday May 5, 2017.**
