LONG RANGE FACILITIES PLAN: NEED YOUR INPUT

The Richmond School District is looking for public input on the development of our Long Range Facilities Plan. Please take a moment to complete our second survey and let us know what is important to you. Your feedback will contribute to the development of the LRFP and help guide future decisions that impact our school facilities. https://www.letstalksd38.ca/long-range-facilities-plan-public-consultation/survey_tools/2019-LRFP-survey-2

BC LEARNING SURVEY: PARENT INPUT REQUIRED

The BC Learning Survey is an annual province-wide census of Grades 4, 7, 10 and 12 students, their parents and staff in public schools. The questions were developed with input from partner groups, teachers and experts in educational measurement and special education. We encourage MacNeill parents to take the survey at : http://www.bced.gov.bc.ca/sat_survey/access.htm . Please note that there is direct access for all parents now. RICHMOND SENTINEL: GRAD 2019 VIDEO CONTEST

For the second straight year, The Richmond Sentinel is leading local efforts to help organizers of each high school's Dry Grad events. A big part of this year's promotion is a video contest, with the grand prize being a full-page photo on the back page of The Sentinel as well as \$250 cash. We're still rounding up more prizes for the winner. The deadline for entries is May 3, which is right around the corner. This year, we'd like to see more high schools participating by sending in an anti-drug or anti-drinking/driving video of between 30 and 45 seconds. This is a great opportunity for our grad class.
