**QUICK
SURVEY**

STUDENT LEARNING

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

The survey can be completed electronically and can be accessed on the Internet at http://www.bced.gov.bc.ca/sat_survey. Any computer with an Internet connection can be used, and access to the e-survey is simple and secure.

The e-survey site will be open until May 3rd. If you have any questions, please contact the school at MacNeill@sd38.bc.ca

Tacos & Tatter Tots • Friday

DATES TO REMEMBER

APR 23 • COLLABORATION DAY (ALTERNATIVE SCHEDULE)
APR 23 • PAC MEETING

RICHMOND
SCHOOL DISTRICT NO. 38

SUMMER LEARNING 2024

Academic Full Credit

Full Credit courses are rigorous courses, designed for school-age students who wish to earn credits towards graduation, to improve the mark of a previously taken course, or to satisfy post-secondary entrance requirements. Student attendance is crucial. Final grades of successfully completed full credit courses will be reflected on student transcripts.

Enrichment

Students will prepare themselves for the upcoming school year by choosing to preview courses in the areas of Business Ed, English Language Arts, Math, Science, Socials, Jazz Band and Physical Education. These non-credit courses will cover some of the Core Competencies, Big Ideas and Curricular Competencies along with indigenous perspectives and knowledge, through learner-centred and engaging activities. They will NOT cover the entire scope of a full course.

Academic Completion

Academic Completion courses are for Grades 10 and 11 students who received a letter grade "I" (incomplete) or "F", or a course mark between 35%-49%. Courses will focus on key big ideas and competencies and will NOT cover the entire scope of a full course. The maximum grade that a student can achieve upon completion is C-.
