

Name of Club	Teacher Sponsor	Meeting days/times	Location	Description
<b>BC Youth Council</b>	Mr. Hockley		Room 246	The BCYC club is an extension of a non-profit organization named the British Columbia Youth Council where we provide opportunities for students in MacNeill to create a positive impact in our community. We advocate for youth's mental wellness by actively discussing the stigmas around mental health.
<b>Board Games and Chess Club</b>	Mr. Luk	Thursday, after school	Room 263	Board Games and Chess Club is a space where students connect to share their favourite tabletop games and learn new games from one another. Tell beautifully crafted stories in a game of Dixit, form alliances but emerge as the sole victor in a game of Coup, or maneuver your way to a victory in a game of Chess. All are welcome.
<b>Business Club</b>	Mr. Li		Room 260	Business club is a collection of students who are passionate in the area of business and provides different leadership and sales management opportunities. They host events like bubble tea sales, candy grams, rose-a-grams and much more. Make sure to sign up at their booth to get the latest updates!
<b>Buzz Art Club</b>	Ms. Walker	Thurs lunch	Room 151	MacNeill's Buzz Art Club is an inclusive, creative and collaborative environment! Gr. 8-12 students build upon their artistic skills – creating original 2D & 3D pieces. In addition to weekly studio sessions, members are invited to participate in our annual Art-A-Thon. In the past eight years, the club has raised over \$16,000 for 9 different charities. We look forward to creating more pieces this this year - and more memories!
<b>Cancer Kids First Vncr</b>	Mr. j Luk	Lunch Times	Room 263	
<b>Christian Club</b>	Mr. Leung Mr. Mayan	Fridays at Lunch	Room 223	Want to meet other Christians at A.R. MacNeill? Or just want to find out more? Come out to Christian Club, where we support each other and look for ways to serve our community. Everyone is welcomed!
<b>Dance Team</b>	Ms. Klein and Ms. Quan	Tuesday and Thursday after school	Dance room	Dance team is made up of a "Rec Crew" for dancers who want to explore hip hop and learn more about dance. This crew will perform in multiple school events throughout the year. The "Competition Crew" is for dancers who want to dance in local dance competitions.
<b>First Responders</b>	Ms. Mei	As needed - Monthly	Library	First Responders is a team of students with First Responders or Standard First Aid training who provide emergency response service to students at school.
<b>Grad Committee</b>	Mr. Leung	Thursdays at Lunch	Room 242	We plan grad events and fundraisers and relay information for grad committee reps to share with their advisories.
<b>Green Team</b>	Mr. Hockley		Room 246	As MacNeill's Green Team, we simply promote being "green"! All of our projects and events are aimed towards the goal of helping the Earth. From working indoors to educate students about waste diversion to watering our vegetables outside in the garden, you'll be able to learn and have fun! Take action and join us to protect the environment as a team!
<b>Inspire 2 Uplift</b>	Mr. R Lee			Inspired 2 Uplift is a new club at MacNeill that's main purpose is to promote friendships between MacNeill and Lifeskills students, through a 1 year buddy program. Our club's mission is to try to break social barriers and foster positive experiences while spreading awareness of inclusion.
<b>Junior Science Club</b>	Mr. Li		Room 260	The Junior Science club is a place for students grades 8-10 to express their knowledge and passion for Science. The club will
<b>MacNeill United Against Hunger</b>	Mr. Vidas		Room 132	MacNeill Against Hunger is a club where students are able to display POWERFUL behaviour by helping others. The students make different baked goods, sweets and some warm dishes that are shared with the less fortunate. Not only do they get to provide food for those that need it, but they get to practice they food preparation and baking skills. It's a great opportunity to hang out and meet new people while doing something great for the community!
<b>Mental Health Club</b>	Ms. Dumansky		Room 116	ChangeMakers?? Fundraising to support women in Richmond who are marginalized (e.g., experiencing poverty, living in transition homes)

<b>Model United Nations</b>	Ms. Dato	Every other Monday at lunch	Room 136	MacNeill's Model United Nations is a club that provides students with an academic simulation of the United Nations which aims to educate participants about civics, current events, and diplomacy. Students form teams, are assigned to a country to research, take on roles as diplomats, investigate international issues, and develop solutions to world problems. If any of this sounds interesting, MacNeill Model UN is the club for you.
<b>Rainbow Club</b>	Ms. Lockhart / Ms. Jagdeo	Every Friday at Lunch	Room 153	MacNeill's Rainbow Club supports and empowers our LGBTQ+ students and allies. Activities include raising awareness through school/community initiatives, arts and crafts, fundraising, social gatherings and marching in the Pride Parade! Everyone is welcome!
<b>Raven Relieves</b>	Ms. Dumansky		Room 116	Raven Relieves is a new club at MacNeill! We aim to provide easy access to volunteer opportunities through our Instagram page and website (coming soon!). We are also planning on collaborating with other clubs for volunteer events!
<b>Rough Sketch</b>	Ms. Mei			Rough Sketch is a worldbuilding club where members learn aspects of worldbuilding such as mapmaking, exotic and ancient language creation, character design, lore and history development, cosmology, geography, and more. Members also collaboratively create a "world" that reflects the complexity and detail of real- world societies and people.
<b>Senior Book Club</b>	Ms. Dato & Ms. Mei	Wednesdays Lunch	Room 136	This club is for grades 10-12 students who want to read and discuss literature. Book choices are based on student interest and include classic and contemporary texts.
<b>Student Connections Association</b>	Mr. Littlewood		Room 113	Student Connections Association is a club that focuses on building connections between students at MacNeill. We hope to provide opportunities for students to gain leadership skills while making new friends! Make sure to come check out our booth and sign up on clubs day!!
<b>Student Council</b>	Mr. Leung Mr. Li	Mondays at Lunch as needed (listen to announcements)	Room 242	MacNeill's Student Council is responsible for planning events and activities around the school that build school community and school spirit. Want to get involved? Follow our Instagram (@MacNeillStuco) to look for volunteering opportunities and dates for general meetings!
<b>Dungeons and Dragons</b>	Ms. Mei		Library	Members of the Dungeons and Dragons group work together to create and roleplay many exciting stories set in all sorts of fantastic settings. Students use their imagination and teamwork skills to engage in all sorts of adventures and playing all sorts of characters.
<b>Choir Club</b>	Leung/ Lockhart/ Jagdeo	Mon & Thurs After school	152	Choir Club is for students who enjoy singing a variety of different genres. We focus on learning singing techniques and having fun! We hope to showcase our talent at school events this year.
<b>Raven Reception</b>	Ms. Nishi		117	Calling all multi-lingual students! Do you speak more than one language? Are you interested in helping out with our ne ELL students? Do you want to get more involved? Join Raven Reception, a club for multi-lingual students who would like to give back to the Raven community. You may be asked to meet and greet new students, help give directions at with school wide events such as Meet the Teacher and Parent-Teacher Conferences and much more.
<b>The Coding Club</b>	Mr. Akune	Fridays at lunch	160	Our mission is to create a fun and engaging environment where we work on coding challenges and/or projects. We will be holding weekly meet-ups where we will discuss a coding concept and then build a mini project based on that concept. As a part of Canada learning code <u>+ will get access of paid resources, such as super Hi, Code Academy, etc., that I can use in my club.</u>
<b>Wharton Global Youth Competition</b>	Mr. Akune	Remote	Computer Lab	The club was organized to enable the participation of students in the Wharton global Youth Competition, a case study competition by UPENN. This club works independantly with resources from the UPENN Wharton School of Business. Students in this club will be participating in a investment simulator and a case study to develop academic intuition and spark a possible interest. This 'Club' will take place in term 1 and the start to mid of term 2.
<b>A.R. MacNeill Programming and Media Club</b>	Ms. Padnanbhan	PLT Wednesdays, Fridays at lunch	244	The A.R. MacNeill Programming and Media Club aims to tach programming, graphic design, and general computer literacy skills through a collaborate setting. During club time, we will learn codin gskills through online coding problems and various projects, including web and game development. As well, we will explore the use of applications such as Photoshop and Illustrator to complete graphic design projects. We hope to be able to make learning computer skills fun, and inspire both an interest and career in the technology field. Everyone is welcome!

<b>Knitting/Crochet Club</b>	Mr. Leung	Mondays at lunch	223	Knitting and crochet club is a club for people who love knitting or crochet, or are wanting a place to learn it with others. It is a great opportunity for people who want to try new things, share, or teach their skills. Club members can learn to communicate and love the craft. Throughout the year, I will be giving support and encouragement to the members with their project.
<b>MSA - Muslim Student Association</b>	Ms. Jagdeo			The MAS would like a safe space (Room 240) every lunch on Friday to pray. They want to create an inclusive environment where they can break stereotypes about the Muslim community. In addition, they would like to meet every other Friday to build community. In the future, they would like to fundraise to Muslim communities that are in need of support and to food banks. The club is hopeful they can host an event this month for Islamic heritage month.
<b>"Ravens Reelz Review!"</b>	Ms. Jagdeo/Mr. Henders	Last Thursday of every month (at lunch)	218	Are you "mad" about movies?! "Ravens Reelz Review" (say it 5 times really fast!) meets on the last Thursday of every month to rate and discuss movies. Students will be viewing approved and appropriate movies ahead of our meetings. There might even be popcorn there!
<b>Mind Over Matter</b>	Ms. Misfeldt	TBA at lunch or PLT	116	This club is dedicated to fostering open discussions on mental health. Our goal is to raise awareness, reduce the stigma, and foster a sense of belonging and support within the MacNeill community. We provide a welcoming and safe environment where students can discuss their experiences, outcomes, and challenges here without the fear of getting judged. We provide valuable resources, from self-care advice to educational resources, all targeted at promoting emotional well-being. We hope to make a positive difference and make our club an important part of the Ravens' experience by serving as a source of hope and providing understanding to all.
<b>MacNeill STEM Synergy</b>	Mr. Luk	Thursdays, PLT, 8:30-9:30	263	MacNeill STEM Synergy is a club focused on raising engagement towards STEM as well as providing peer tutoring in the fields of math and science, mainly focusing on grades 10-12. Peer tutoring will take place during PLT hours and will be led by a student tutor who has demonstrated proficiency in the area they will be tutoring. In addition, MacNeill STEM Synergy will work towards increasing engagement and interest in STEM. This will be done through various social media posts aimed towards garnering appeal to the maths and sciences (e.g. pi day, Einstein's birthday, dates of astronomical phenomena).
<b>Filming and Performing Club</b>	Mr. Luk	Thursdays at lunch. Sometimes after school before 4 pm	263	This club is for someone who is passionate about filmmaking (filming, directing, post-production) and performing (acting). Giving MacNeill students a chance to show their talents. Also providing an opportunity for someone to carry out their interests. This club will focus on reproducing famous or classic scenes. I also hope that we can make our own scripts for short videos. We will post the final products on Instagram. My goal is for everyone in the club to work as a team as well as finding roles they like or are suited to. I hope everyone will enjoy themselves while participating in club activities. Executive team: 1 vice president, 2 post-production members, 1 or 2 media designers, 2 actors or actresses, 2 directors, 1 videographer. General members: directing team, videographer team, cast team, lighting team.
<b>Empower Her</b>	Ms. Misfeldt	Tuesdays at lunch biweekly	116	The purpose of this club is to support women and spread awareness in BC by providing aid such as donations, clothing, hygienic products, and more. The goal of our club is to help women in need get back on their feet and develop a more positive self-image. Some events we had in mind were a clothing drive, bracelet-making session, booths at school games. Krispy Kreme donuts, if possible, we would like to fundraise in our community outside of school.
<b>Health Science Club</b>	Mr. Wang	Bi-weekly	212, sometimes 210	The Health Science Club is a club that will aim to provide resources and opportunities to students who are interested and passionate about medicine and good health. The club will also promote disease awareness by creating an informative website/Instagram offering disease information and resources. Not only that, we will organize events featuring medical professionals and researchers as guest speakers, and raise funds for health-related causes such as cancer. The club seeks to give resources and opportunities to students while also creating a healthier school community by educating students and contributing. During the bi-weekly meetings, sometimes we will have our sponsor teacher Mr. Wang tell us about his experience studying biology in university!

<b>Universal Raven</b>	Mr. Kwan	Wed or Thurs during PLT (twice a month)	262	For all short term exchange students at A.R. MacNeill to communicate with local students in order to expand communication skills and develop their personal boundaries. The Club will welcome and help MacNeill's exchange students to adapt to the school community and understand the differences between different cultures. To build relationships to increase their motivatin for academics and other perspective. To give the MacNeill community a change to gain ledership opportunities and to be positive role models.
<b>Study Club</b>	Ms. Padnanbhan	Wednesday PLT	244	In school, there are many unorganized study groups across all grades where those wh excel in different subjects help each other out. Study Club will be a dedicated place and time where students can belp each other do homework, projects, and understand key concepts. Students can also peer-tutor their friends and help each other out. Study Club will have executive members that have knowledge in a particular area such as math, chemistry, English and more. They will help others out during Wednesday PLTs.
<b>Strings Club</b>	Ms. J. Lee, Ms. Vroom	Thursday PLT	152	For beginning, intermediate, and advanced string players (Violin, Viola, Cello, Bass). Our aim is to provide oppportunity for individual, small group ensemble (duets, trios, quartets), and orchestral experiences in a wide variety of musical styles to connect students to a community of inclusive musicians with an interest in string music. We will select more rehearsal times (ex. before school, lunch, or after school) once we know student's schedules.
<b>Raven Outdoor Club</b>	Ms. Capalad, Mr. Stroud	Once a month (Thursday Lunch)	255	An opportunity for students to join Incentive on their field trips, plan as a group if they would like to do an outdoor field trip with the guide of Ms. Capalad, and know more information about how to be involved with outdoor leadership outside of school.
<b>MacNeill Workshop Club</b>	Mr. Read	Every Tuesday, Wednesday & Thursday from 3-5 pm	162	In this club, students in or even not in the workshop class can come in on Tuesdays, Wednesdays or Thursdays afterschool of their choice to work on their projects for this class. In the club, students can get assistance and help from more experienced tech students. With a goal of helping students in tech class where help and new skills outside of class with the passion aimed at adding new skills to students. Overall, the club is quite straight forward where students go to the shop afterschool to learn new skills in the shop. 1. Must help with clean up. 2. Students need to be work focussed.
