PERSONALISED LEARNING TIME (PLT) DECEMBER 4 & 5

Students are given choice and ownership over their learning. Staff will facilitate a responsible learning environment by providing support, encouragement and an independent learning environment. Students will develop skills such as planning, questioning, communication, short-term and long-term goal setting, organization and time management, self-regulation and self-awareness.

This will occur each week on Wednesday & Thursday.
Mornings from 08:30 – 09:30am.

We will follow a slightly different bell schedule. Students that are in MacNeill Secondary School during PLT are expected to be engaged in learning in a specific learning space.

A Conversation for Families About Digital Wellbeing and Mental Health

How much time should our kids spend on technology? How can we set boundaries that don't create conflict? Learn some practical solutions to our everyday concerns and challenges around our kids' use of screens and their mental health.

Join us as we learn from Dr. Kristy Goodwin, Digital Wellbeing and Productivity Researcher, Speaker, Author and Consultant.

This video presentation will be followed by a facilitated discussion by the Family Peer Support Workers in Richmond.
