We are excited to invite future and current families and students to the **MacNeill Open House & Grade 7 Parent night**.

During this evening families and students will learn more about the school, its programs, and the choices that your teenagers have when they are here. We will have presentations and displays around the school showcasing all that we offer. There will be teachers, students, and administration here that you can ask questions about our school and their perspectives.

This event takes place on Thursday January 23rd, 2024

Grade 7 Parents & students are invited to join us in the large gym at 6pm sharp for an introduction to the evening. Our open house will start for all other families and students in the MacNeill Gym at 7pm.

Our open house will start for all other families and students in the MacNeill lounge at 7:00pm. After this initial meeting, families will tour the building until 8:30pm when the event will be over.

Presented by Hannah Beach

“Cellphones: What’s Healthy, What’s Not, and What We Can Do to Support Our Kids” will be presented by Hannah Beach on Zoom from 6:30 – 8:00 p.m. This session is open to all parents and staff!

Many of our kids are anxious and glued to their phones, seeking endless distraction and feeling isolated and disconnected. Aggressive outbursts have become common and yet others seem to have stopped talking all together. As parents and caregivers, we are increasingly alarmed. We entice, cajole, bribe, encourage, shout, but nothing seems to work long term.

Join Hannah for a warm and conversational workshop exploring practical strategies we can use to help our children and youth when it comes to managing devices. This conversation has never been more important as we look at how we can support our children and youth to grow, learn, develop, and reach their fullest potential.

Closed captioning in multiple languages will be available for participants.
