

Name of Club	Teacher Sponsor	Student Leaders	Meeting days/times	Location	Description
BC Youth Council	Mr. Hockley			Room 246	The BCYC club is an extension of a non-profit organization named the British Columbia Youth Council where we provide opportunities for students in MacNeill to create a positive impact in our community. We advocate for youth's mental wellness by actively discussing the stigmas around mental health.
Board Games and Chess Club	Mr. Luk		Thursday, after school	Room 263	Board Games and Chess Club is a space where students connect to share their favorite tabletop games and learn new games from one another. Tell beautifully crafted stories in a game of Dixit, form alliances but emerge as the sole victor in a game of Coup, or maneuver your way to a victory in a game of Chess. All are welcome.
Business Club	Mr. Brown			Room 260	Business club is a collection of students who are passionate in the area of business and provides different leadership and sales management opportunities. They host events like bubble tea sales, candy grams, rose-a-grams and much more. Make sure to sign up at their booth to get the latest updates!
Buzz Art Club	Ms. Walker		Thurs lunch	Room 151	MacNeill's Buzz Art Club is an inclusive, creative and collaborative environment! Gr. 8-12 students build upon their artistic skills – creating original 2D & 3D pieces. In addition to weekly studio sessions, members are invited to participate in our annual Art-A-Thon. In the past eight years, the club has raised over \$16,000 for 9 different charities. We look forward to creating more pieces this this year - and more memories!
Christian Club	Mr. Leung Ms. Lee		Fridays at Lunch	Room 223	Want to meet other Christians at A.R. MacNeill? Or just want to find out more? Come out to Christian Club, where we support each other and look for ways to serve our community. Everyone is welcomed!
Dance Team	Ms. Klein and Ms. Quan		Tuesday and Thursday after school	Dance room	Dance team is made up of a "Rec Crew" for dancers who want to explore hip hop and learn more about dance. This crew will perform in multiple school events throughout the year. The "Competition Crew" is for dancers who want to dance in local dance competitions.
First Responders	Ms. Li		As needed - Monthly	Library	First Responders is a team of students with First Responders or Standard First Aid training who provide emergency response service to students at school.
Grad Committee	Mr. Leung		Thursdays at Lunch	Room 242	We plan grad events and fundraisers and relay information for grad committee reps to share with their advisories.
Green Team	Mr. Hockley			Room 246	As MacNeill's Green Team, we simply promote being "green"! All of our projects and events are aimed towards the goal of helping the Earth. From working indoors to educate students about waste diversion to watering our vegetables outside in the garden, you'll be able to learn and have fun! Take action and join us to protect the environment as a team!
Inspire 2 Uplift	Mr. Lee and Mr. Akune				Inspired 2 Uplift is a new club at MacNeill that's main purpose is to promote friendships between MacNeill and Lifeskills students, through a 1 year buddy program. Our club's mission is to try to break social barriers and foster positive experiences while spreading awareness of inclusion.
Model United Nations	Ms. Dato		Every other Monday at lunch	Room 136	MacNeill's Model United Nations is a club that provides students with an academic simulation of the United Nations which aims to educate participants about civics, current events, and diplomacy. Students form teams, are assigned to a country to research, take on roles as diplomats, investigate international issues, and develop solutions to world problems. If any of this sounds interesting, MacNeill Model UN is the club for you.
Rainbow Club	Ms. Lockhart	Chris Wu	Every Friday at Lunch	Room 153	MacNeill's Rainbow Club supports and empowers our LGBTQ+ students and allies. Activities include raising awareness through school/community initiatives, arts and crafts, fundraising, social gatherings and marching in the Pride Parade! Everyone is welcome!
Rough Sketch	Ms. Sadler				Rough Sketch is a worldbuilding club where members learn aspects of worldbuilding such as mapmaking, exotic and ancient language creation, character design, lore and history development, cosmology, geography, and more. Members also collaboratively create a "world" that reflects the complexity and detail of real- world societies and people.

Name of Club	Teacher Sponsor	Student Leaders	Meeting days/times	Location	Description
Senior Book Club	Ms. Dato & Ms. Mei		Wednesdays Lunch	Room 136	This club is for grades 10-12 students who want to read and discuss literature. Book choices are based on student interest and include classic and contemporary texts.
Student Connections Association	Mr. Littlewood			Room 113	Student Connections Association is a club that focuses on building connections between students at MacNeill. We hope to provide opportunities for students to gain leadership skills while making new friends! Make sure to come check out our booth and sign up on clubs day!!
Student Council	Mr. Leung Mr. Li		Mondays at Lunch as needed (listen to announcements)	Room 242	MacNeill's Student Council is responsible for planning events and activities around the school that build school community and school spirit. Want to get involved? Follow our Instagram (@MacNeill) to look for volunteering opportunities and dates for general meetings!
Dungeons and Dragons	Ms. Sadler			Library	Members of the Dungeons and Dragons group work together to create and roleplay many exciting stories set in all sorts of fantastic settings. Students use their imagination and teamwork skills to engage in all sorts of adventures and playing all sorts of characters.
A.R. MacNeill Programming and Media Club	Ms. Padmanabhan	Bradon Wu, Nick Huang, Daniel So	PLT Wednesdays, Fridays at lunch	244	The A.R. MacNeill Programming and Media Club aims to teach programming, graphic design, and general computer literacy skills through a collaborate setting. During club time, we will learn coding skills through online coding problems and various projects, including web and game development. As well, we will explore the use of applications such as Photoshop and Illustrator to complete graphic design projects. We hope to be able to make learning computer skills fun, and inspire both an interest and career in the technology field. Everyone is welcome!
Knitting/Crochet Club	Mr. Leung	Beverly Wang	Mondays at lunch	223	Knitting and crochet club is a club for people who love knitting or crochet, or are wanting a place to learn it with others. It is a great opportunity for people who want to try new things, share, or teach their skills. Club members can learn to communicate and love the craft. Throughout the year, I will be giving support and encouragement to the members with their project.
MSA - Muslim Student Association	Ms. Hans	Sabrina Mohamed	Bi-weekly on Fridays at Lunch	213	The MSA would like a safe space (Room 240) every lunch on Friday to pray. They want to create and inclusive environment where they can break stereotypes about the Muslim community. In addition, they would like to meet every other Friday to build community. In the future, they would like to fundraise to Muslim communities that are in need of support and to food banks. The club is hopeful they can host an event this month for Islamic heritage month. The club will also help ensure that Muslim students feel represented, seen and respected in the school's environment contributing to the overall divinity and inclusivity of MacNeill Secondary.
"Ravens Reelz Review!"	Mr. Henders	Malak Awad	Last Thursday of every month (at lunch)	218	Are you "mad" about movies?! "Ravens Reelz Review" (say it 5 times really fast!) meets on the last Thursday of every month to rate and discuss movies. Students will be viewing approved and appropriate movies ahead of our meetings. There might even be popcorn there!
Sewing Club	Mr. Heller		Wednesday from 3-5	153	In this club, students will learn how to sew or improve their sewing skills. The club will provide materials and create opportunities to meet and connect other students that share your passion for sewing. We welcome people just starting out and those who are seasoned professionals. We can work on projects that you may have running or we can help people find what they are passionate about.
The Microteam	Mr. Li and Mr. Hockley		Mondays at Lunch	260	The Micro team is a non-profit organization and school club dedicated to fighting ocean pollution, with a focus on reducing microfiber waste. Through community advocacy, clean ups, and research, we promote eco-friendly clothing choices and work to protect local waters. Our mission is to raise awareness about the dangers of microfiber pollution and inspire sustainable action to preserve our ecosystems.
MacNeill Mud Club (Pottery)	Ms. Lockheart		Fridays at 3:30 to 5:00pm	153	Welcome to both students and staff, the Mud Club invites members of the MacNeill community to come and create with clay, relax and have fun. The club members will have access to clay, glazes, pottery wheels and tools, with optional workshops for specific skills/projects. The Mud Club is also looking to do some fundraising to help support members of our wider community.

Name of Club	Teacher Sponsor	Student Leaders	Meeting days/times	Location	Description
Helping Hearts@MacNeill	Ms. Lew		Wednesday at Lunch	114	Helping Hearts is a youth-led non-profit that strives to the "Constant Change that our youth see in the communities" One of our goals is to host fundraiser and other events that can benefit both the MacNeill community as well as for people in need. Another goal we have is to empower youth leaders in an innovative way. Most importantly, we strive to build a strong connection amongst MacNeill students..
MacNeill Spikeball Club	Mr. Henders and Ms. Tan		Event Days and TBD	Small Gym/Field	This club will feature the game of Spike ball. It will take place during the Spring, and is open to all students. This club will allow students to get physical activity in a social environment, create a community and help motivate students to stay of their phone and take part in an amazing sport.
Macneil Pickleball Club	Mr. Lou		PLT and Afterschool	Gym	Pickleball Club helps to foster and develop new pickleball players and to inspire more people to play. Our club is a safe and friendly environment for players of all skill levels.
Sketch Club	Ms. Sadler		Tuesday at lunch	Large Conference	Collaborative world building where members come together to create a world, it's story and it's civilization. If you are passionate about writing and like to work with others then this is the club for you.
TheGood Guys Club	Ms. Vroom		Thursdays at Lunch	223	The purpose of this club is to raise funding for the downtown east side in order to make packages and distribute them.
Ultimate Frisbee Club	Mr. Nguyen		Monday After School	MacNeill Soccer field	Ultimate frisbee drop-ins open to anyone to. NO experience needed or cleats. Anyone open to learning a new sport/strengthening their skills. We will have coaches to facilitate an your skill development.
Boundless Hope	Ms. Quan and Mr. Lou		Lunch on Friday (Bi-Weekly)	215	Our clubs main purpose is to raise cancer awareness using different activities and to help fund cancer research for many children and families who are struggling with cancer. We hope to raise and donate money to various charities in the Lower Mainland such a: BC Children's Hospital and the Canadian Cancer Society)
Pottery Club	Ms. Lockhart				
Musical Composition Club	Mr. Bonifacio				
Gaming Club	Ms. Li		Every other Wednesday at lunch	115	
MacNeill Ski and Snowboard Club	Mr. McDowell				
MacNeill Health Compass	Mr. Wang		Every other Wednesday at lunch	212	A branch of the student-led organization, Health COmpass Canada. The main focus and purpose of the club is to translate, create and make available accurate posters/resources on medicine, pharmacies and medical services for newcomers to Canada that may not have the familiarity with the medical system here or have enough proficiencies with the language to understand or how to utilize these services.
