As we are still in the respiratory illness season, cold and influenza (flu), we want to take a moment to send some reminders regarding what to do if you aren't feeling well.

We ask all students to stay home and away from others until your symptoms resolve, your fever is gone (without the use of medicines that reduce fever, like Tylenol) and you feel well enough to participate in daily activities.

However, it is still important for people with symptoms to stay home to reduce any potential spread of illness until their symptoms have resolved, and they are able to participate in their usual activities.

Thank you for helping to keep our MacNeill Community healthy and safe!

It's time to book your graduation photo with Artona!

February 21 - 27, Artona will have a Mobile Photo Lab parked in MacNeill's parking lot reserved for MacNeill Graduates. You must book your session time online through Artona.

All MacNeill Graduates should book a session online to sit for Grad Photos as this is where you will be measured for your gown for valedictory. As well, the photo will be used in the Yearbook. The Artona photo for the Yearbook is complimentary; however, you can choose to purchase a grad photo package. There is a required deposit of \$60 for the sitting. If you purchase a grad photo or package, the deposit is applied towards this purchase. If you just wish to have the complimentary grad photo for the yearbook, the \$60 sitting fee is reimbursed. If you have a question about the sitting fee, please contact Ms. MacDonald in the office. We want to ensure all MacNeill graduates have the opportunity to sit for the graduation photo.

Please book your session with Artona asap as times book up quickly.
