As we are still in the respiratory illness season, cold and influenza (flu), we want to take a moment to send some reminders regarding what to do if you aren't feeling well.

We ask all students to stay home and away from others until your symptoms resolve, your fever is gone (without the use of medicines that reduce fever, like Tylenol) and you feel well enough to participate in daily activities.

However, it is still important for people with symptoms to stay home to reduce any potential spread of illness until their symptoms have resolved, and they are able to participate in their usual activities.

Thank you for helping to keep our MacNeill Community healthy and safe!
