PROGRAM PLANNING FOR 2026-2027

MacNeill started its Program Planning for students for the next school year. [Students will need to complete a program planning form AND complete their course requests on MYEDBC that was handed out January 27 during grade specific blocks.](#) Please make sure students can access their own MYEDBC account at this time. It is important to complete both steps for students to request courses they need. [Both online submissions and forms for the courses need to be entered into MYEDBC by Feb 9th.](#) Please contact the school for more information or if you have questions about this process. Information will also be posted on our schools web site.
