TRAFFIC NOTICE FOR DROP OFFS

Here are some tips for drivers, pedestrians and parents from ICBC to make travelling to and from school safe for everyone.

PARENTS

- Let Your Child Enter and Exit Your Car on the Side Closest to the Sidewalk
- It's safest to drop off and pick up as close to the sidewalk as possible. Do not allow your child to cross mid-block.
- Before Starting Your Car, Check for Small Children Hidden From View
- Walk around your car and always look carefully for pedestrians when backing up.

DRIVERS

- Stick to the Speed Limit
- A 30 km/h speed limit is in effect in school zones from 8 a.m. to 5 p.m. every school day, unless otherwise posted. In playground zones, a 30 km/h speed limit is in effect every day from dawn to dusk.
- Scan Crosswalks and Intersections from Left to Right as You Approach
- Watch for pedestrians waiting to cross, especially during school hours.
- Leave Your Phone Alone
- Distraction is the leading factor for drivers in crashes involving pedestrians and cyclists.
- Notice if Other Drivers are Slowing Down or Stopping
- If a vehicle is stopped in front of you or in the lane next to you, they may be yielding to a pedestrian, so proceed with caution and be prepared to stop.
- Give Yourself Enough Stopping Distance
- You need more time to stop when you're driving fast. At a slower speed, motorists have better chance to react when children or others are crossing the road. This could be the difference that saves a life.
- Watch for School Buses
- When their lights are flashing, vehicles approaching from both directions must stop.

PEDESTRIANS

- Cross Only at Marked or Controlled Crosswalks
- Do not jaywalk or cross when it isn't your turn.
- Look Both Ways Before Crossing the Street
- Ensure it is safe to cross from both directions of traffic before setting foot on the crosswalk.
- Make Eye Contact with Drivers Approaching the Crosswalk
- Be certain they see you and that they've committed to slowing down to a stop.
- Double-Check Lights and Signals are Working at Controlled Crosswalks
- Make sure that the flashing traffic lights are operational and haven't timed out before crossing.
- Wait Until the Crossing Guard Says it's Safe to Cross
- If your school has a crossing guard, follow their instructions before crossing – they will make sure it's safe before guiding you across.
