GRADE 10 GRADUATION LITERACY ASSESSMENT

All grade 10 students at MacNeill will be taking the Graduation Literacy Assessment 12 (GLA 10) on either April 22 or April 23 from 8:30am - 11:30am or 12pm-3pm in one of the computer labs at the school.

Students should consult the schedule for the GLA 10 posted on the school's office window to determine the date and time assigned.

All students are required to write the GLA 10 to graduate in BC. Additionally, students graduating this year should ensure they have written the GNA 10 and GLA 10. Please see Ms. MacDonald in the office for questions.

Are you tired of sad snacks? Bored of boring desserts? Ready to experience pure, sugary joy while also being a hero?

Introducing: Krispy Kreme Donuts for MacNeill Dry Grad!

That's right — fluffy, melt-in-your-mouth, straight-up legendary donuts... and every bite helps send grads off in style (and safely!).

Why buy?

- Because calories don't count when it's for a good cause
- Because sharing is optional (we won't judge)
- Because nothing says "I support the grads" like a box of glazed perfection

Help us make Dry Grad unforgettable
Treat yourself (and maybe your friends... maybe)
Support a great cause

Warning: Side effects may include extreme happiness, sticky fingers, and sudden popularity.

TRAFFIC NOTICE FOR DROP OFFS

Here are some tips for drivers, pedestrians and parents from ICBC to make travelling to and from school safe for everyone.

PARENTS

- Let Your Child Enter and Exit Your Car on the Side Closest to the Sidewalk
- It's safest to drop off and pick up as close to the sidewalk as possible. Do not allow your child to cross mid-block.
- Before Starting Your Car, Check for Small Children Hidden From View
- Walk around your car and always look carefully for pedestrians when backing up.

DRIVERS

- Stick to the Speed Limit
- A 30 km/h speed limit is in effect in school zones from 8 a.m. to 5 p.m. every school day, unless otherwise posted. In playground zones, a 30 km/h speed limit is in effect every day from dawn to dusk.
- Scan Crosswalks and Intersections from Left to Right as You Approach
- Watch for pedestrians waiting to cross, especially during school hours.
- Leave Your Phone Alone
- Distraction is the leading factor for drivers in crashes involving pedestrians and cyclists.
- Notice if Other Drivers are Slowing Down or Stopping
- If a vehicle is stopped in front of you or in the lane next to you, they may be yielding to a pedestrian, so proceed with caution and be prepared to stop.
- Give Yourself Enough Stopping Distance
- You need more time to stop when you're driving fast. At a slower speed, motorists have better chance to react when children or others are crossing the road. This could be the difference that saves a life.
- Watch for School Buses
- When their lights are flashing, vehicles approaching from both directions must stop.

PEDESTRIANS

- Cross Only at Marked or Controlled Crosswalks
- Do not jaywalk or cross when it isn't your turn.
- Look Both Ways Before Crossing the Street
- Ensure it is safe to cross from both directions of traffic before setting foot on the crosswalk.
- Make Eye Contact with Drivers Approaching the Crosswalk
- Be certain they see you and that they've committed to slowing down to a stop.
- Double-Check Lights and Signals are Working at Controlled Crosswalks
- Make sure that the flashing traffic lights are operational and haven't timed out before crossing.
- Wait Until the Crossing Guard Says it's Safe to Cross
- If your school has a crossing guard, follow their instructions before crossing - they will make sure it's safe before guiding you across.
