## VALEDICTORY ADDITIONAL GUEST TICKETS

MacNeill's Valedictory ceremony is being held on Tuesday, June 9, at 7pm, at the UBC Chan Centre. Tickets for this event will be available by purchasing these through the UBC booking system since April 28, for all graduates participating in the valedictory ceremony.

Each graduate's family has the opportunity to secure two complimentary tickets through a special code if they have already paid the valedictory fee at MacNeill. Additionally, more tickets can be purchased for \$15 each through three rounds of ticket sales to ensure everyone has an equal opportunity to select the number of tickets they hope to secure. Seats are limited at the Chan Centre, and we encourage you to buy only the tickets you know you will need to ensure each graduate can have their immediate family/friends at the ceremony.

Please note that the complimentary ticket code is a one-time use. Additionally, graduate students do not need a ticket for the ceremony. Please have a look at the ticket distribution procedures now and purchase your UBC Chan Valedictory tickets using this link starting April 28: [https://tickets.ubc.ca/Online/default.asp?doWork::WScontent::loadArticle=Load&BOParam::WScontent::loadArticle::article\\_id=A307BBE7-7B56-4CA9-B39B-92ED190AC131](https://tickets.ubc.ca/Online/default.asp?doWork::WScontent::loadArticle=Load&BOParam::WScontent::loadArticle::article_id=A307BBE7-7B56-4CA9-B39B-92ED190AC131)

## RESPECTING OUR SPACE AT MACNEILL

MacNeill is a shared space that reflects who we are as a school community. Recently, there have been reports from members of the surrounding community and the City of Richmond about garbage being left on and around the property. This is concerning, as it does not represent the values of respect, care, and responsibility that we strive to uphold.

Each of us plays a role in maintaining our environment. This includes our partners and community groups who also share our fields and facilities and who are receiving a similar message. We all need to take responsibility for our own garbage, respectfully remind others to do the same, and step in when we see litter. These small actions are simple but powerful ways to care for our community.

Leaving the property, both inside and outside, better than we found it shows pride in our school and respect for everyone who shares this space with us. Let's work together to be mindful of our actions and support one another in keeping MacNeill clean, welcoming, and respected. When we take care of our surroundings, we take care of our community.
