GRADE 12 FAMILIES: GRADUATION VIDEO RECORDING 2021

The Valedictory Ceremony for all ten secondary schools in Richmond will be virtual. At MacNeill the virtual ceremony will be similar in format as last year's. Information and details of the event were already emailed to grads and parents. Details can also be found on our school website. The safe and structured recording of each graduate is our priority. The video will take several days (June 2-4) to record and then edit, with small groups of students safely scheduled at separate times. **Similarly, we can only accommodate parent requests to watch the recording in a very limited way observing from a specified area and distance, with a maximum of two family members per student. If parents would like to be present to watch their grad be recorded 'crossing the stage', please contact Mr Ghaug for confirmation at a specified time.** For safety reasons, we can only accommodate family members who have a confirmed time. Please note that students will keep their cap and gown and parents can arrange to take photos at a time and place that works best for each family. **The completed virtual video graduation ceremony to be premiered on June 22nd.** Parents and students will be able to download this video. We hope that families will host a 'premiere' event with those in their household to watch the entire ceremony and celebrate the accomplishments of their 2021 graduate!
