## MacNeill Parent Week at a Glance

### Keeping our Community SAFE

Please use **extra caution** when walking, biking or driving to and from school. Darker mornings and afternoons make it more difficult for drivers to see students on the roads and in our parking lots. **Slow speeds, reflective gear and lights are recommended.**

As well, it is **very important** that drivers follow the directions on signs posted in the parking lot. To avoid back-ups onto 4 Road, it is essential that **student drop-off's occur at the Granville side parking lot near the gyms.**

We have had additional reports of a few "near misses" between drivers and pedestrians. Let's be safe!

### AP Program

This message is to let you now that we have our November PAC meeting scheduled for next Tuesday, November 19th.

**This month, just prior to the 7pm start of the PAC meeting we are hosting an information Presentation about the AP Program (Advanced Placement Program).** If you are a parent of a student in grade 10, 11 or 12, this parent/student presentation may be of great interest to you.

*Course selections for next school year will begin in earnest in January. Now is the time to find out if an AP course is right for your child.*

*Please join us!*
