Parent Newsletter – August 2021

To Students and Parents,

We hope that everyone is enjoying the summer holiday. It won't be long before the 2021-2022 school year begins. This newsletter is intended to provide some general information to our students and parents about important details pertaining to the first week of school. On behalf of the entire MacNeill Secondary School staff, we would like to extend a warm welcome to **all new MacNeill students** and their families, as well as **all returning families!**

This is a LONG newsletter, but it has been created with all our community in mind! Please be sure to read through to the end to ensure that your child's start in September is smooth and please note the various dates, times, and important forms that we will require right at the start.

As we welcome Ms. Bronwyn Fackler to our Raven Family we have also said Goodbye to Mr. Herj Ghaug. Mr. Ghaug was appointed Principal at the end of last school year. He is now the Principal at Palmer Secondary. We will miss him and wish him all the best in his new role at Palmer!

September 2021 marks the beginning of the eighteenth year since the opening of MacNeill Secondary School and our thirteenth year of the school-wide POWER program in the continued evolution of the school. Students new to MacNeill will soon learn about **POWER**: **P**ositive Attitude – participating enthusiastically; **O**wnership – being accountable; **W**e not Me – being safe, empathetic and welcoming; **E**xcellence – striving to do our best; and **R**espect – caring for self, each other and our environment. In our classrooms and around the school community, we will continue to strive to meet the school-wide expectations of our positive behaviour support program.

We believe in building relationships and making connections as the foundation for developing a strong learning community. This coming year promises to be a successful one as students, parents and staff commit to working hard and striving for excellence by creating a caring, respectful and responsible community for learners.

**Summer Office Hours at MacNeill from

A.R. MacNeill Home-School Communication

To provide parents information about what is happening at MacNeill, a WEEK-AT-A GLANCE (WAAG) is created each week. You can view the WAAG from our school website <https://macneill.sd38.bc.ca> You will also receive this via your email as long as we have your correct email address in our system.

Once again, this year, we will be requesting parents to provide an e-mail address or checking that the e-mail address already provided is correct. Newsletters will be sent to parents by e-mail and at various times automated SchoolMessenger telephone messages will be sent home with important notices. SchoolMessenger messages are also automatically sent home when a student is absent from a class with no reason for the absence provided by a parent. Teachers may also send notices home with students throughout the year to highlight special events or field trip opportunities.

Each parent/guardian will have their own separate account, and can view the following:

My School Day App: More than just an agenda – App that enhances Communication with students and parents

To enhance our communication with our student and parent communities, we are resorting to an on-line agenda for grades 8-12. Please note that all students in grade 8 will receive a traditional school agenda book during the first week of school in their Connections class (Homeroom). More information about this school app, will be provided to students and parents in September.

Personalized Learning Time – NEW to MacNeill this year!

Personalized Learning Time, (PLT) is a period of time set aside each week for students to have self-directed learning time with their teachers. This is NEW to many of the secondary schools this year.

At the end of last year our teachers were asked to choose a semester format for this upcoming year. The style that was selected was one that included flexible time that is intended to offer all students the opportunity for more ownership of their learning.

Personalized learning time will evolve as the school year begins to include a variety of options for students. In addition to being able to access teachers for curricular support, we are looking to engage students in identifying areas of special interest, or passions and, working with interested staff, develop and design a menu of opportunities. Conversations with students will begin during the Connections Classes, Wednesday, and Thursday of our first week back. More information will be shared with families as ideas/opportunities are developed prior to the end of September.

Possibilities may include, but are not limited to:

- physical activities in the gym
- extra learning support
- curricular support
- Art opportunities
- Theatre and Dance opportunities for students to write/choreograph, rehearse and perform
- Music opportunities
- Bicycle repair

Please note that we will have 4 bell schedules. A calendar for the month of September along with our bell schedules have been included at the end of this newsletter.

MacNeill Collaboration Time

Along with other Richmond high schools, MacNeill will continue to have **Collaboration Time**. To provide continued uninterrupted time for school staff to collaborate on effective practice, MacNeill will have 8 Collaboration Days. Our first Collaboration Day will be September 15th. Students on that day will have the choice of studying at home and coming to school at 10:15am for their first class or coming to school at the regular start time to independently study in the school lounge.

Once our monthly Collaboration Time dates, beyond our September 15th date have been confirmed by staff, we will be sure to send the dates information to parent via email and post on our Website.

New Students Grade 9-12 Orientation Sept. 2, 2021, 10am

Are you a new student in grades 9-12 coming to MacNeill? We encourage all NEW grade 9-12 students to attend an orientation. During this orientation, many aspects of MacNeill will be discussed and it will allow new students to touch base with their counsellors. New students are encouraged to bring along your most recent report card.

What Connections Class (Homeroom) Am I In?

The PLT Connections Class is the student's homeroom class. During the Connections classes, students will be participating in activity and conversation aimed at building relationship and rapport among the students and staff. This will also be an opportunity for the Connections teachers to check in with each student to understand, support and promote active productive engagement with PLT learning. **Connections Class lists will be posted in the large gym on the first day of school showing student name, Connections Class teacher and the room number.**

What Do I Do on the First Day of School?

Tuesday, September 7th is the first official day of school and students will go to the Large Gym to check the location of their Connections classrooms. Each grade will have an assembly in the large gym, and then students will be dismissed to go to their Connections homeroom. The grade assembly and Connections homeroom will take approximately one hour but will depend on the grade level (grade 8 approx. 60-90mins).

For the first day of school, students will need both something to write with, and write on. Students will receive a more comprehensive overview during the first week of school. Teachers will explain and discuss policies and procedures. A locker and a school lock will be assigned. Important forms and handouts will be given to students. Since the first day of school is for Connections Class/homeroom only, students will not need to bring their lunches. *Students are to report to the large gym during the times listed below.*

The Connections class/homeroom times for each grade for the first day of school are as follows:

10:00 a.m.	Grade 8 (Students will be at school approx. 60 – 90 mins.)
11:00 a.m.	Grade 9
12:00 p.m.	Grade 10 and 11
1:00 p.m.	Grade 12

*Our school has several student learning programs. Please note the information below specific to our **Life Skills and Aspen Learning Centre** programs.*

What are the start dates/times if my child is in the Life Skills or Aspen Program?

If your child will be attending the **Aspen Learning Centre**, you will be contacted prior to the start of the year by the Aspen teachers and arrangements for the student's gradual entry plan will be determined.

If your child will be enrolled in our **Life Skills** program your child will start school Wednesday, September 8th at 9:20am. Students in our Life Skills program should enter the school via the outside door into the Life Skills classrooms. The Connections Class/Homeroom for our Life skills students is with the Life Skills teacher, Ms. Diana Quan, room 123.

Absent During the First Week?

Please note: If your son or daughter will be absent during the first week of school in September but intends to return to MacNeill, it is vital that the school be informed as soon as possible. This will enable us to organize classes accurately and ensure that absent students have a timetable and locker when they do arrive. Please complete the "Late Return" form and submit this to the school office before school begins. The "Late Return" form can be downloaded from the school website and is in the "Notice" folder under "District Forms/Notices".

Parents: School Forms That Need to be Signed and Returned before September 10th, 2021

1. BC Student Information Verification Form – please ensure that your child’s information is up to date and accurate. (This is a double-sided form).

It is essential that the school has accurate emergency contact information. Enclosed with this information package is a copy of the BC Student Information Verification Form that the school currently has on record for your child. Please review the information and make any required changes. **Please also ensure that you have provided emergency contact names and phone numbers.** Please include your child’s legal **and** usual name.

2. Use of Personal Information/Responsible Technology Use form.

Lockers

Students will be moving from classroom to classroom during the day and will need a place to store their books, coats, gym strip and other belongings so they do not have to carry them around. The school provides each student with a locker and a combination lock. Lockers are located throughout the school. Lockers and locks will be assigned and distributed to students on the first day of school in advisory class.

Lockers must be locked to ensure belongings are secure. Students are advised not to share their lock combination with anyone. Although every precaution is taken, sometimes lockers can be broken into. **We ask students not to bring valuables to school.** The lockers and locks are school property and therefore, we reserve the right to check them if deemed necessary.

Gym Lockers

When taking PE students will be able to use a locker in the change room to store clothing and books. For this, students must have an additional lock to carry with them for use during the PE class block. The school does have locks for sale that can be purchased from Ms. Ng, our business assistant for \$5.00. We remind all students that all valuables such as wallets and cellphones should **NOT** be stored in PE lockers.

Important Message from the PE Department

We are looking forward to meeting you in September! We hope you are active during the summer months and ready to continue that during the school year. The PE department staff would like to remind you of two important things. There is a need to purchase a lock for daily use of the gym lockers. Bags on the gym floor or items left in open lockers pose various safety and security issues. Please leave things safely locked away to minimize your own risk.

Students are also reminded that the Richmond School District has a “no scents” policy. A recommendation is to bring a change of clothing and a towel to shower or wipe yourself down at the end of each class. Please do not use scented products as students and staff may have allergic reactions to them.

What Supplies Do I Need?

Individual course teachers will inform students of required supplies during the first week of school. For students wishing to purchase supplies before then, the following list of supplies will meet the general needs for most courses. Some teachers may require a few more specialty items, but students will be told of this when they are needed.

basic calculator	pencils	blank paper	gym strip (shorts or
paper scissors	pens	pencil crayons	track pants, t-shirt
ruler	geometry set	binders	and runners)
glue stick	lined paper	pencil case	

What Other Costs Can Be Expected?

All secondary schools in Richmond have a standard school fee. This fee covers the cost of a student agenda, lock and locker, communication fee and some student activity costs. The General School Fee is \$28.00. There are optional and additional activity and enrichment program costs. For instance, the Yearbook, which is optional, will be approximately \$45.00. Grade 12 students will have optional costs for a Graduation and Valedictory Ceremony, Grad Boat Cruise, Winter Formal, Dinner and Dance and Dry Grad cost. Each student will have an itemized fee statement given to them towards the end of September and monies will be due to the school in October. Throughout the school year there will be other curricular and extra-curricular activities which will be planned that may incur cost to students. For safety and efficiency reasons, we want to reduce the amount of Cash & Cheques coming into our school. School related expenses will be online soon for you to make payment. We encourage our parent community to register with our Richmond 38 School cash online system.

MacNeill Traffic/Student Drop-off

The traffic at MacNeill before school and at dismissal can be a very frustrating experience for drivers and also not a safe one for both pedestrians and drivers. Please observe the traffic directional markings painted along our driveways. There is **NO PARKING** or **STOPPING** in front of the school facing Number 4 Road. This area is for daily school bus loading and District service vehicles. The **STUDENT DROP-OFF** is along the south wall of the gym facing Granville Avenue. Please observe the **HANDICAP** parking signs. We hope this will make for smoother traffic flow and enhance safety for all. The parking area for MacNeill students who drive their car to and from school is in the south parking lot along the gym.

Please note:

At the time of writing this newsletter, it is not yet known to what degree schools will be asked to implement Health and Safety requirements in terms of size of student groupings, or limitations to various kinds of activities.

Should Provincial Health Guidelines require us to limit size of student groupings we will revise our First Day of school plans accordingly and students will not be meeting in large grade groups in the gyms. Should there be changes, families will receive updated information related to the revised plan for the first day of school.

School Health and Safety protocols for the upcoming school year, once known, will be communicated to families. In addition to emailing families directly, we will include Health and Safety information on our school website.

Personalized Learning Time

What is PLT?

Personalized Learning Time (PLT) is a period of time set aside each week for students to have self-directed learning time with their teachers. Students are given choice and ownership over their learning. The goal of PLT is to teach students the skills necessary to use instructional time in a way that benefits their individual learning.

PLT occurs on Wednesdays and Thursday mornings.
